

SUBITUS® FULL PROTECTIVE SUIT

The ALL-IN-ONE concept is fully realised in this full protective suit system. SubiTUS stands for a simple and error-free operable full body protection, which also keeps gases and dusts away from the respiratory tract and the body. This system helps the users to protect themselves against bacteria, viruses, chemicals and not immediately definable dangers during initial contacts.

Application recommended for: Clinics, hospitals, rescue services, army, fire departments

Details full protective suit:

- Weight suit complete with mask and ABEKP3 filter: 900g
- densely integrated half mask with particle filter P3 or combination filter ABEKP3
- visor with antifog coating
- Material: DuPont™ Tychem® C
- Nitrile latex gloves are tightly fitted
- dense, slip- and cut-resistant sole (Kevlar)
- Sizes S-XXXL
